Stair Lift

AmeriGlide

*"We're everywhere you need to go."*

# Discover the Many Advantages of an AmeriGlide Vesta Stair Lift

The AmeriGlide Vesta boasts a durable rack and pinion design that delivers smooth, safe transit up and down your stairway and requires minimal maintenance on your part. Backed by industry-leading warranty coverage and designed to meet applicable safety standards for private users in the United States and most public applications\*, the AmeriGlide Vesta represents a new generation of stair lifts that will enable mobility-impaired homeowners to continue aging in place and retain their independence in multi-level houses for years to come!

Applications	Indoor, straight-run stairway
Load Capacity	300 lb (136 kg)
Maximum Travel	32 ft (9.75 m)
Travel Speed	20 ft/min (0.10 m/s)
Angle of Incline	25° to 50°
Drive System	Rack & Pinion
Operator Controls	Constant pressure buttons (UP/DOWN rocker switch on chair and remote control call/send units)
Motor	1/2 HP, 24 VDC
Fold-Up Width	14" (355.6 mm) between wall and folded footrest
Rail	Aluminum extruded  For stairs with a door or hall at the bottom, optional flip-up rail is available (constant charge system not available with this option)
Charging	Charges on standard household power (110 VAC)  Constant charge system along the rail ensures the stair lift is always charged
Emergency Operation	Battery-powered operation allows use even through a power failure.
