Silverado 1500 Standard Equipment**

Interior

- Single-zone manual, semi-automatic climate control
- Rear air vents
 - Provides cabin comfort for rear occupants
- Assist handles front A-pillar mounted for driver and passenger, rear B-pillar mounted
- Compass located in instrument cluster
- Cruise control
 - Maintains a selected speed while driving
 - Automatically disengages when the vehicle's traction control system needs to limit wheelspin on slippery surfaces or when the StabiliTrak® stability control system detects an oncoming skid
 - Set and resume speed functions
 - Steering-wheel mounted controls to easily maintain and manage cruising speed
- Power door locks
 - Programmable
 - Allows you to lock and unlock doors easily whether it's from the driver or front passenger seat or from outside using the key fob
- 4.2" diagonal color Driver Information Center
 - Includes driver personalization, warning messages and vehicle information
- Exterior Temperature Display located in radio display
- Carpeted floor covering
 - Color-keyed to match the interior
- Rear rubberized-vinyl floor mats
 - Helps protect your interior from road debris and the elements
 - May require additional optional equipment
- Front rubberized-vinyl floor mats
 - Helps protect your interior from road debris and the elements
 - May require additional optional equipment
- Instrument cluster, 6-gauge cluster featuring speedometer, fuel level, engine temperature, tachometer, voltage and oil pressure
- Inside rearview manual day/night mirror
 - Adjust the tilt of the mirror to help reduce glare during nighttime driving
- 12-volt auxiliary front power outlet
 - May require additional optional equipment
- Rear Seat Reminder
- Remote Keyless Entry
 - Allows you to lock and unlock doors of the vehicle with the key fob
 - Driver's door or all doors unlock at the touch of a button
 - Includes panic alarm button
 - Includes remote start with panic button and door lock/unlock function

- o Includes remote locking tailgate
- o May require additional optional equipment
- 4-way manual driver seat
- 4-way manual front passenger seat
- Seat trim, Cloth
- 60/40 split-folding rear bench seat
 - o Includes child seat top tether anchor
 - o Can fold one or both sides up
- 40/20/40 split-bench front seat with covered armrest storage
 - o Seating for up to 3
 - o Center fold-down armrest with storage
- Manual tilt steering column
 - o Allows the steering wheel to be manually adjusted up or down
 - o Provides extra comfort when entering or exiting the vehicle
 - o Locking security feature
- Steering-wheel mounted controls
 - o Allow the driver to easily operate the audio system and phone interface controls
- Steering wheel
- Power windows
 - o Driver with express-up/down
- Power windows
 - o Front passenger with express down
 - o May require additional optional equipment
- Power windows with rear express-down
 - o May require additional optional equipment

Mechanical

- 220-amp alternator
 - o May require additional optional equipment
- Automatic Stop/Start
 - o At complete stops, when drivers keep their foot on the brake pedal, and under certain conditions, the engine shuts off
 - o When drivers remove their foot from the brake, the engine automatically restarts
 - o Under certain circumstances, the engine will not shut off at a complete stop
- Battery, heavy-duty 730 cold-cranking amps/80 Amp-hr, maintenance-free with rundown protection and retained accessory power (Included and only available with (L3B) 2.7L Turbo engine or (L84) 5.3L EcoTec3 V8 engine.)
- Brake lining wear indicator
- 4-wheel antilock disc brakes
 - o Help reduce wheel lockup and maintain steering control during hard braking on most slippery surfaces
 - o DuraLife brake rotors have better resistance to corrosion to increase rotor life, minimize brake pulsation, and improve aesthetic appearance
 - o Brake system features a corrosion-fighting process called "Ferritic Nitro Carburizing" which can double rotor life expectancy and reduce or minimize rust
- Capless Fuel Fill
- Durabed
 - o Roll-formed high-strength steel
- 2.7L Turbo engine
 - o 310 hp [231 kW] @ 5600 rpm
 - o 348 lb-ft of torque [471 Nm] @ 1500 rpm
 - o Paired with a 8-speed automatic transmission
- Single-outlet exhaust
 - o Aluminized stainless-steel muffler and tailpipe
 - o May require additional optional equipment
- Four wheel drive
- Fully boxed frame
 - o Hydroformed front section
 - o High-strength steel
- 7,000 lbs. GVWR
 - o When properly equipped; includes weight of vehicle, passengers, cargo and equipment
 - o May require additional optional equipment
- 3.42 rear axle ratio
- May require additional optional equipment

- Steering, Electric Power Steering (EPS) assist, rack-and-pinion
- Single-speed Autotrac Transfer Case
- 3 Transfer Case modes
- 2WD HI mode
 - o Vehicle operates in 2-wheel drive
 - o In this mode the transfer case & front driveline hardware are disengaged to improve fuel economy
 - o Suitable for routine driving on all road surfaces
- 4WD Auto mode
 - o 4WD Auto enables the t-case to provide the performance benefits of a full time active AWD system
 - o The 4WD Auto controls automatically adjust torque in response to parameters such as driver inputs, wheel slip control, vehicle dynamic state (understeer/oversteer)
 - o Ideal for wet or wintry conditions, but can be used on any road surface. Suitable for light off road usage
- 4WD HI mode
 - o Transfer case engages front driveline and power is transferred to both the front & rear axles
 - o In 4WD HI the transfer case clutch maintains higher preemptive torque levels for increased traction vs 4 Auto
 - o Suitable for use on slippery road surfaces or off-road conditions such as deep sand, snow or rough terrain
- Terrain mode
 - o 4WD HI and provides improved low speed traction and vehicle control during off road driving

- 8-speed automatic transmission
- Electronically controlled with overdrive
- Tow/Haul mode
 - o Raises transmission upshift points to provide more power to accelerate with a trailer or heavy load
 - o Raises downshift points to use engine compression to help slow the truck instead of merely braking
- Powertrain Grade Braking
 - o Automatically uses the engine and transmission to slow the truck to maintain desired speeds when driving downhill

- o Reduces brake wear and increases vehicle control
- Cruise Grade Braking
 - o Downshifts automatically to slow the truck as it drives downhill if it exceeds the cruise set speed by a certain amount
- May require additional optional equipment

Entertainment

- 6-speaker audio system
 - o Speakers are positioned throughout the cabin for outstanding sound quality and an enjoyable listening experience
- Chevrolet Infotainment 3 System with color touchscreen
 - o AM/FM stereo
 - o 7" diagonal color touchscreen on WT, Custom and Custom Trail Boss
 - o 8" diagonal color touchscreen on LT, RST and LT Trail Boss
 - o Bluetooth® audio streaming for 2 active devices for compatible phones
 - o Voice command pass-through to phone for compatible phones
 - o Apple CarPlay™ capability for compatible phones
 - o Android Auto™ capability for compatible phone
- Bluetooth for phone, connectivity to vehicle infotainment system
- 4G LTE Wi-Fi® hotspot capable
 - o Terms and limitations apply. See onstar.com or dealer for details.
 - o May require additional optional equipment
- USB ports
 - o 2 located on instrument panel
 - o May require additional optional equipment

Safety-Interior

- 6 Airbags
 - o Dual-stage frontal airbags for driver and front outboard passenger
 - o Seat-mounted side-impact airbags for driver and front outboard passenger
 - o Head-curtain airbags for front and rear outboard seating positions
 - o Includes front outboard Passenger Sensing System for frontal outboard passenger airbag
- Chevrolet Connected Access capable
 - o Subject to terms. See onstar.com or dealer for details.
 - o May require additional optional equipment
- OnStar® & Chevrolet Connected Services capable
 - o Terms and limitations apply. See onstar.com or dealer for details.
 - o May require additional optional equipment
- Rear Vision Camera
 - o When in Reverse, provides the driver of a view of the scene directly behind the vehicle on the Infotainment screen to help the driver park and avoid nearby objects during low-speed maneuvering
 - o Tailgate must be in the raised position for the Rear Vision Camera to operate properly
- Teen Driver
 - o This configurable feature lets you activate customizable vehicle settings associated with a key fob to help encourage better driving behavior
 - o It can limit certain vehicle features, and automatically turns on certain safety systems if vehicle is equipped
 - o An in-vehicle report card gives you information on driving habits and helps you to continue to coach your new driver
- Tire Pressure Monitoring System
 - o Monitors the pressure in each tire and alerts you if there is a low-pressure condition in one or more of the tires
 - o Properly inflate tires to help optimize your vehicle's ride, handling and efficiency
 - o Includes Tire Fill Alert

Safety-Mechanical

- StabiliTrak, stability control system with Proactive Roll Avoidance and traction control, includes electronic trailer sway control and hill start assist

Exterior

- Chrome front bumper
 - o May require additional optional equipment
- Chrome rear bumper
 - o With integrated CornerSteps
 - o May require additional optional equipment
- Cargo tie downs (12), fixed rated at 500 lbs per corner
- CornerStep rear bumper
 - o Helps make it easier to get into and out of the pickup bed
 - o Located at each end of the rear bumper
 - o Textured step pads to help provide secure footing
- Body-color door handles
 - o Body-color on LT and RST models
 - o High gloss Black on LT Trail Boss models
- Deep-tinted glass
 - o Provides added protection from sun and glare
- Grille (Chrome bars with high gloss Black mesh inserts.)
- LED headlamps
 - o Provide a bright, intense beam of light to help illuminate road signs and highway
 - o LED signature Daytime Running Lamps
- Lamps, cargo area, cab mounted integrated with center high mount stop lamp, with switch in bank on left side of steering wheel
- Chrome mirror caps
- Heated power outside mirrors
 - o Power adjustable, manual folding
 - o May require additional optional equipment
- Black recovery hooks
 - o Two front frame-mounted
 - o May require additional optional equipment
- Tailgate and bed rail protection cap, top

- Tailgate with EZ lift and lower assist
- Locking tailgate
 - Tailgate locks and unlocks with the same key as the ignition and door
- Taillamps
 - Incandescent tail, stop and turn signal lights
- Spare tire carrier lock
 - Helps keep spare tire secure
 - Utilizes the same key as the door and ignition
- 17" 255/70R17 all-season, blackwall spare tire
- 17" 255/70R17 all-season, blackwall tires
- 17" Bright Silver painted aluminum wheels
 - May require additional optional equipment

Safety-Exterior

- Daytime Running Lamps
 - Includes automatic exterior lamp control
