Notes/Sketch

Because all of our products are custom built and painted to fit your specific needs and application, the final product is non-returnable. However, we will work with you to resolve any problems. Cancellations of orders must be done within 6 days of sign off in order to receive a full refund of the deposit and freight balances. If a cancellation is not received within 6 days then no refund on the deposit or freight balances can be given as the order will be in production.

I have read and understand the above:
